**Please Read:** All seedlings are bare root stock. Consult our catalog for a detailed description of what a bare root plant is. Stock may be used for wildlife habitat, erosion control, reforestation, windbreaks, landscaping, Christmas trees, etc. All trees and shrubs sold are to be used for these conservation practices. Trees and shrubs are sold with the understanding that they will not be removed from the planted site for resale with the roots attached. Orders are filled on a first-come, first-serve basis. The District reserves the right to refund payment on items if they should become unavailable. The District will NOT be responsible for the success or failure of plantings.
