Flower Power - The Lyons Main Street Program, in full cooperation with the Village of Lyons, will be hosting a volunteer event to clean out and prepare new perennial flower beds for planting. We are looking for donations of hardy perennials (divisions or cuttings from local gardens) as well as new bed materials. Bring your garden tools and join us as we pretty-up the north side of the Canal for the Spring, Summer and Fall season! (Stay tuned for more about this as we get closer to the date!) Contact the Lyons Main Street Program to see what you can do to help or what materials we will be looking for!

We hope to see you at each of these fine events! Support your local village efforts! Make a difference in your community.
