ALBANY -- The state has launched a new "Jobs Express" website that lets users search for job openings in regions of the state. The new website -- www.labor.ny.gov/jobs/regional.shtm -- lists 42,370 job openings across the state. The state has had a Jobs Bank website, but the new one aggregates the positions by region and job types, officials said. The new website will soon be available. "The Jobs Express web site makes it easier for New Yorkers to find what jobs are available and where they are available," Gov. Andrew Cuomo said in a statement. For more information about the services, visit www.labor.ny.gov.
